LOVE NOTES...
A FREE PATTERN FROM AMERICANPRIM

Trace all pieces onto doubled muslin, making sure to trace 2 of the NOTE2 hearts. Sew around trace line and cut out. Cut a slit in back of all pieces, clip corners and turn right sides out. Lightly stuff all pieces and whipstitch closed. Paint hearts barn red and note bars black.

Attach hearts to bars by going in from the back of the note and through the back layer of the heart. Repeat a few times for each heart. You can use modge podge on the hearts & sprinkle with glass glitter or mica or leave as is! Attach a hanger to use as ornaments.

Hope you enjoy making this little pattern!
