~ PRINTING TIPS ~

Use Acrobat Reader 8.1 or higher for best results. When printing make sure
AUTO ROTATE
AND CENTER is CHECKED and that PAGE SCALING is set to NONE.
Print your images on cardstock or any type of paper you prefer. Choose the
page with images when printing your project. :-)

~ CRAFTING TIPS ~

Use these images for a variety of uses such as decoupage, scrapbooking,
tags, altered art projects or whatever your imagination comes up with.
If the ink from your printer is not colorfast, be careful when applying your
decoupage medium, the first coat needs to be applied very lightly to avoid
smudging the ink. We hope you enjoy using our printables!
