Supply List....

Things your going to need.....

Muslin

Batting

4 Buttons for eyes

Black DMC floss

Dark red felt for noses

Dark Red yarn for hair

White yarn for hair

Black Paint for shoes

2 Round metal hang tags

Americana fabric of your choice for dresses and ties in hair

Red, white and blue tiny garland for sparklers or you may want to use pipe cleaners.

Coffee to grubby up your dollies. 3 parts coffee to 1 part water. makes it thick and sludgy.

2 pieces of dowell for sparklers

Blue or red paint to paint dowells

Instructions...(be sure to clip all corners)

Trace all pattern pieces onto your double layered muslin.

Cut out pattern pieces. With WST sew around pattern pieces leaving an opening where indicated on the pattern.

Turn RSO ... This is when I like to stain my dollies. Use your coffee mixture and dip your doll parts. Lay them on a cookie sheet and either bake them dry or use a hair dryer. keep doing this until you have your desired grubby look. Let them dry completely and stuff. Sew opening on body closed after stuffing.

Paint shows onto the legs where indicated. Once completely dry lightly sand them for a worn look.

Hand stitch arms and legs to body using the pattern as a guide.

Now lets attach their eyes. Using a longer needle and your black DMC floss...bring needle thru the top of the head and out where you are placing the button ..and back thru the other hole. Do this a couple of times to make sure its not going anywhere. Do this for both eyes.

Iron the wonder Under to the felt for the dolls noses following the manufacturers instructions. Let it cool and cut out dolls nose shape. Then simply take off the paper backing and iron to dolls face.

Dresses...(be sure to clip all corners)

Top..Cut 1 on doubled fabric of your choice. Cut the opening opening. Set Aside.

Skirt..Cut 2 pieces of 6x20 fabric. Hand gather each skirt piece. with RST sew your gathered piece of skirt to one side of the top. Do the same for both pieces of skirt. Once these are sewn together, sew the sides of the dress together. YOu will be sewing up the side of the skirt to the under arm and the sleeve. Do this on both sides. Your dress should now be complete.

Bloomers..Cut 2 pieces of material the size shown on the pattern. PLace pieces WSTand

fold in half. Make a cut on the fold to separate leg openings. Sew down each side of the leg and also the inseam area. Clip corners and turn RSO. Place on doll and hand gather around the waist. Knot off the thread in the back.

Now put your dresses on the dollies. Hand gather around each neck line. Knot off.

Hair...

For Star's hair you will need to cut 15 strips of red yarn about 5 inches long. Hand sew into place where indicated on the pattern. Tie a strip of coordinating fabric around each side to give her a ponytail look.

For Glory's hair...do the same thing only cut your strips about 10 inches long and actually tie them into ponytails before attaching them. I used a lumpy bumpy white yarn.

Sparklers...

For these I used a tinsel like Americana garland.. you could also use red, white and blue pipe cleaners.

I took a small dowel, painted it blue..and took 3 pieces of the garland and wrapped it around the dowel. When I reached the top with each piece I had them go in different directions. Hand sew these to their hands..knot off on the underside of hand.

Star and Glory should now be complete...Hope you enjoyed making them as much as I did...
