Print out instructions: Paper you will need is 8-1/2" x 11" Standard Cardstock or copy paper (at any office supply store and Wal-Mart). I left room for a hole punch, so you will have a way to attach to your item. I use rusty safety pins, Jewelry hemp cord in different colors (at any Hobby Store), black safety pins (Wal-Mart), and floss. If you have wood items you can print on an 8-1/2" x 11" sold sheet sticky back Avery Paper at Wal-mart or any office supply store. Quilters can use Sticky Back Fabric that can go through a printer, you can find this in any sewing center store or if you happen to live close to a Hobby Lobby, Michaels, JoAnnes or Ben Franklin Crafts. You get nine tags that print out on an 8-1/2 x 11 sheet.

Black lines around each tag is the cutting line, I use a paper cutter or scissors. You can run as many copies as you like, all I ask that my COPYRIGHT at the bottom of each tag stay there. Since this is an Instant Download you will have to pay by PayPal (no echecks through paypal), and then the download will have instructions on how to download the digital file. If you would like to purchase with Money Order Please go to my website below, been adding new product daily. If purchasing and using Money Order as soon as I receive the MO. I will email you the pdf file. You can get Adobe Reader for FREE at www.adobe.com
